We understand how important it is for you to receive support from your loved ones and friends while you are in the hospital. Below are instructions on how to stay connected using a video call.

**Get your phone ready!**

- Make sure your phone is charged. You don’t want your call dropped!
- In Wifi Settings, set your network to: MHS_Guest

**Note:** Use the Google Play Store to search for and install Google Duo on your phone.

**Install Duo on your device**

- Open the Duo app and follow the instructions to install.

  - Enter your cell phone number so others can identify who is calling.

**Allow the Duo app to:**

- Access your contacts
- Make and manage calls
- Take pictures and videos
- Record audio

You are ready for your Video visit!
